

## 2020 Membership Application

Our 2020 Members will enjoy early access to clinics and waived attendance fees to pre-arranged schooling days (dates to be arranged), as the 2020 year is being refocused as a schooling and learning year. They will also receive discounted rates on clinician fees, and discounted rates on educational lectures which will be coming from various equine professionals from around the Peace Country and beyond! This is the best way to be kept in the know about some of the best schooling and learning opportunities our area has to offer. Our members will be placed on our E-Mail list to be kept updated on upcoming learning opportunities, meeting minutes and everything Fairview Sport Horse Society related!
