Payouts for All Classes & More!

Entry Deadline: August 20, 2021

Jumper Jackpot

August 27, 2021

How It Works:

Each Horse and Rider combination are permitted to ride up to five (5) rounds, spread between three (3) or less consecutive divisions. For example, you can do two rounds at Cross Rails as well as 2'0 and one round at 2'3. This allows riders to be competitive, improve on their rounds, and consider trying a new height! The entry fees will immediately go into the pot for each round, which will be paid out in cash following the event.

We will be running an Open Format – this means there is no Junior, Senior, etc division. All riders will compete against each other. We will be utilizing a **Modified Table A**. An *Optimal Time* will be provided which is intended to provide a challenge to the riders in each division; you may need to step on the gas, or even do a little walking or trotting, to get as close to that Optimal Time as possible! Any faults collected through a disobedience (refusal) or rail will automatically roll to the bottom of the placings; clear rounds will be placed above those with faults regardless of their time, unless they exceed the Maximum Time. Any rider who exceeds the Maximum Time (2x the Optimal Time) will be eliminated. This is meant to be challenging while encouraging riders to ride safely and be familiar with the rate of which their horse travels at! This is intended to be an extremely laid back, welcoming and fun schooling event; casual but appropriate attire and turn out is welcome. Come ride with friends and have a chance to win some money and prizes! Paddocks and/or tie space will not be provided; competitors are to tie to their trailer. Please note, the arena is NOT fenced and does have some rocks; sensitive horses should be shod. All riders must have AEF/HCBC.

Classes will run regardless of number of entries, so come out and enjoy a laid back off-property school!

We are planning on this being an **evening** event; start time will be determined by number of entries and will be announced no later than August 24, 2021. This will be a very casual event, so come ride with friends and have a chance to win some money!

Payouts for Each Class:

- 1st: 50% of The Pot
- 2nd: 25% of The Pot
- 3rd: 15% of The Pot

Payouts will be made via e-transfer after the event. Any and all awards will be provided after the last class.

Jumper Jackpot Entry Form

Name: _____

Horse: _____

AEF / HCBC Number: _____

E-Mail for E-Transfers: _____

Class	Entry Fee	✓
Trot Poles - 1	\$10.00
